

Hockey Entry Procedures

- Players can enter 15 minutes before the scheduled ice time.
- All skaters must come fully dressed (aside from carry their skates, gloves, helmet, waterbottle and stick – no bags).
- Goalies are to come dressed in their pants and will be allowed a bag for the rest of their equipment.
- Water bottles must be filled prior to entry.
- Everyone must wear a mask to enter the facility.
- Players will only be allowed in and absolutely no spectators nor parents will be allowed in. (players requiring their skates tied by parent will be allowed in but parents must wear a mask and exit the back door once completed – parents will then re-enter via the back door at the end of the session to help remove skates)
- When entering players will be assigned a number to use at the benches and to place water bottles.
- Players will proceed to designated chairs in the hallway where they put on skates.
- Once skates are on, player will remain seated until an instructor comes to get you.
- Players will make sure to take belongings with them into the arena and placed at their designated spot. Bring a ziploc bag to put your mask in.
- Goalies will place ALL of their belongings into their bag and close it. Our staff will move your bags.

Post-Skate- Exit Procedure

- Upon completion of the ice time, skaters and coaches will exit through the left ice doors (North End) where they can pick up belongings on storage rack.
- Skaters and coaches must continue to distance 2 metres at this point and move through door at south end where they will find the designated and marked skate untying areas.
- Once a player has taken their helmet off, they must put their mask on and keep it on until they have left the building.
- Once skates are removed, skaters should immediately exit the building by following the arrows exiting the right door
- Players will go left once outside and see the parking where they can be picked up.

It's good to be back!
